

Coffee Machine Cleaner

Product Code: 5826506

ESPRESSO MACHINE POWDER CLEANER

It is a powder cleaner applied in periodic cleaning of espresso machines. CMC Powder Cleaner prolongs the service life of your machine by removing oils, coffee residues, lime and bad odors that occur in the espresso machine.

FOR GROUP ESPRESSO MACHINES:

- 1- Attach a blind plug to the porta filter of your machine. 3gr. (about 1 teaspoon) Put it in the porta filter of your CMC Dust Cleaner machine. Place the porta filter on the group head of your coffee machine.
- 2- Press the flow button of your espresso machine. Let the pressurized water flow from the system into the porta filter. Press and hold the flow button for 10 seconds and wait for 10 seconds. Repeat this process for 5 times.
- 3- Remove the porta filter and clean it under pressurized water.
- 4- Then put the porta filter back on and repeat the process in step 2 5 more times without the cleaning product.

FOR CLEANING COFFEE PREPARATION EQUIPMENT:

- 1- For cleaning the porta filter, strainer and similar metal equipment, add 6 g (2 teaspoons) of Zincotech Dust Cleaner to 1 liter of hot water in a container and wait for the dust to dissolve.
- 2- Place the metal parts of the porta filters into the hot water, vertically into the container so that the handles (rubber, plastic or wood) do not touch the water.
- 3- 2-3- min. Soak in water. Clean and feel with a sponge or clean cloth.

CAUTION: This product does not leave any residue in the drink or device, it does not contain harmful substances. Do not touch plastic, rubber or wooden evenings. It can discolor. Store in a cool and moisture-free environment. It is recommended to consume within 1 month after opening the box. Keep out of reach of children.

Exp. Date: 2 years after production date.
Package Included: 900 gr.
